Words from Prestigean

An investment in knowledge always pays the best interest. So choosing an institution is the most important step for our career. I feel glad to be a part of the Prestige Institute of Management, Dewas. The main reason behind choosing this institute was that it is the best institute in my city and It has made learning our passion. Here, professors are well experienced, very kind, and helpful. They believe in practical knowledge over bookish knowledge. Workshops and Seminars are been conducted almost every week for the betterment of students. Institute supports our efforts and celebrates our small achievements too. PIMD provides the best placement opportunities, has good infrastructure. It organizes various events and inter-college competitions where we can show our hidden talents. Hence, it's an ideal college for me and my friends and I feel proud to be a Prestigean.
